Nasal Flu Consent

As you are aware, the letter went out with our newsletter last week regarding the E-consent for the Nasal Flu Immunisation. We understand that not all parents have access to the internet. To help overcome this please pop into the office if you require a copy of the consent form. You can then return the completed form to the following address:

School Immunisations Team
Kernow Health CIC
1st Floor Cudmore House
Oak Lane
Truro
TR1 3LP

We appreciate that parents will incur a postage cost by having to send the form back through the post. As an alternative for those parents that are not able to afford that cost, we ask that you return your consent forms to the office so the Kernow Health team can collect those completed copies from us at school.

In the meantime, if parents/guardians have any questions please do not hesitate to contact the Kernow Health team on their main number 01872 221105.

Dear Parent/Guardian

Your child's annual nasal flu vaccination is now due

Kernow Health is delivering the flu immunisation programme in Cornwall's schools on behalf of NHS England. Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable friends and family by preventing the spread of flu.

In 2018/19 all children in **Reception and school years 1, 2, 3, 4 and 5** will be offered the vaccine.

The vaccination is free and recommended for young children; it is administered by a quick and simple spray up the nose. Please click on the following [link](#) to access information explaining the vaccination programme which also includes details about the small number of children for whom the nasal vaccine is not appropriate.

Please click on the following link to access the consent form: <https://www.kernowimmunisations.co.uk/flu>

PLEASE ENSURE YOU QUOTE THE FULL UNIQUE SCHOOL REFERENCE CODE. The code for your school is:

WHITEMOOR ACADEMY

EE138963

Please return your consent form as soon as possible. The form will not be available 2 days before we visit your child's school, but your child can still be immunised at one of our catch-up clinics. We are in the process of arranging dates with schools and once confirmed these will be on our website.

If your child becomes wheezy or has their asthma medication increased after you return this form, please contact Kernow Health on one of the numbers above.

If you decide you do not want to vaccinate your child against flu, please complete and return the consent form giving the reason. This will help us to plan and improve the service. Please tell us if you need this information in a different format.

Yours faithfully

Dr Terese Tubman
