

FRIDAY 19th October 2018

Class 1

This week brings the end of this half terms topic. We have enjoyed learning about past and present life and next half term we are going to be looking at story telling focusing on the history of stories and how they have changed overtime. We are developing our role play area and would like to add some more dressing up clothes for the children. If you are having a sort out through your children's clothes, please bring them in for class one. This includes any old jumpers/dresses/hats/gloves/jackets etc. Thank you!

Class 2

This week class 2 have been working hard on writing – identifying nouns, adjectives and verbs and extending our writing. Great improvements all round and the children are excited about writing.

Class 3

Class 3 had an exciting afternoon crossing the River Nile. The children were given the distance that they had to cross and the weight that needed to be taken over, they were then given newspaper and tape and were asked to construct a bridge. They had great fun doing this and all groups came up with different designs that were able to take the weight. Next, they will be shaping the stones for their pyramids.

Class 4

Class 4 have had another very busy week. Bikeability has proved extremely successful with a fantastic pass rate... so huge congratulations to all those that took part!

The performance of Macbeth is beginning to look amazing and the children have all proved that they can act, take direction and in some case direct scenes themselves...what a great opportunity for Year 6 this is proving to be!

We are all enjoying the non-uniform day today and have brought in a variety of gifts for the Christmas Fayre as asked, so a big thank you to all of Class 4 for their contributions.

Expectations for homework remain the same this half term break as the children will all benefit from practising spellings and time tables in preparation for tests at the end of the first week back. There is some topic based homework to complete and of course, reading, so they will all be kept busy!

Have a lovely holiday Class 4 and we look forward to another great half term starting on Tuesday October 30th.

Change of Date Photographs— 1st November

Please note individual and sibling photographs will now take place on Thursday 1st November.

Sport

This week the children played brilliantly in both Netball and Football. The football team worked really hard to win the match against Nanpean and managed to score 5 goals! Isaac scored from their side of the pitch. They defended really well and great goalkeeping meant that no goals went in. The netball team drew again with a 0-0. Even though we didn't score against Nanpean both teams had brilliant defence. The girls were very good at making sure they intercepted the ball when Nanpean had it.

Brilliant game girls!

For any future matches that are taking place please be aware that if your child attends the football or netball club, and they are not on the team, then the club will be cancelled. We are sorry for this but it has improved from last year where it would be weeks back to back and now they are more spread out.

The future matches are: 13th November Treverbyn V Whitemoor; 20th November Whitemoor V Luxulyan; St Dennis V Whitemoor; Whitemoor V Foxhole; Roche V Whitemoor

Parents Survey

Thank you to everyone who completed their parent surveys that were sent home. We have put in place some actions following on from your feedback.
