

FRIDAY 10th October 2018

## Sports

The school had a fantastic time with Robert Mitchell who came in to talk about the importance of healthy eating and exercise. The children were also asked to raise some sponsorship money to carry out some exercises that they did in school. They did several different types of exercise from spotty dogs, to press ups and mountain climbers. We have raised an amazing amount of £762.57— Wow! Molly from Class 1 raised the most with an incredible £62. We would like to say huge thank you to all of the sponsorship money that you have been able to raise.

Next week we have a netball match at Whitemoor playing against Nanpean. If your child is playing in the match they should have received a letter today. We are sorry for the late letter but this was due to the photocopier being out of order for a few days this week.

## Class 1

This week the children have been looking at shapes. They have been doing shape runs, spotting them around the room and making models using the 2D magnetic shapes. We have been working really hard with 2D shapes this week and next week we are going to be looking at 3D shapes.

## Class 2

This week class 2 really enjoyed our special guest sport star Robert Mitchell. We had a great time Star jumping, Climbing Mountains, doing Spotty Dogs and press ups. We have talked a lot about how to eat healthily and how much we should exercise following his visit.

## Class 3

There has been a big focus on maths this week in Class 3. The children have been accessing different resources to help build their reasoning and problem solving skills. The new questions that are being asked contain more reasoning alongside the fluency to help deepen their understanding.

The children have also been carrying out research about Osiris, the Egyptian god as well as finalising the planning for our Story.

## Class 4

Class 4 have had a great week and have once again been working incredibly hard. We had a fantastic Sports morning with our Olympian visitor on Tuesday; not only did he put us through our paces but gave us some very interesting tips about keeping our minds and bodies healthy too!

The Mid Cornwall Cross Country competition was thoroughly enjoyed by those who participated and Class 4 did exceptionally well!

Maths has continued with Place Value this week and in English we have been gathering and developing vocabulary to support our Evacuee Diary writing. We are continuing to receive a wonderful amount of artefacts to help us understand life during World War 2; everyone has been very keen to contribute which is helping to bring our topic to life. So... another huge well done to everyone again this week and we look forward to next week being equally as productive!

A special shout out to Tiana Baxter for coming third place out of nearly a hundred runners in the Cross County League! What a fantastic representative of Class 4!
