---

Dear parents/carers,

Class 3's topic for next term is 'Our Planet, Our Responsibility.' We will be investigating the effect of plastic pollution on our world's habitats and looking at ways that we, as a class, can make a difference.

On the first day back, we will be creating banners to help other people understand the impact that plastic is having on the environment. With this in mind, could all children come to school in old clothes as we will be painting using fabric paint.

Thank you so much for your continued support.

Kind regards

Mr Gray
