## Class 1

This week, the class have been working hard learning about farm animals.

They have all written a story about an animal on a farm, writing clear sentences. The children have also been learning about doubles. They have all been able to double really well and created some beautiful butterflies.

## Class 2

Swimming lessons are proving to be a big success for all children with our less experienced swimmers happily retrieving toys from the bottom of the pool with their faces in the water. It won't be long until they're all kicking their way across the pool. In maths Year 1 have been focusing on their place value to 50. Whilst Year 2 have been gaining skills making equal groups, looking at repeated addition and are ready to move on to multiplication next week.

## Class 3

Class 3 had a great start to the week with the Beach guardians. They learnt about the effect of plastic in the environment and then created art work using plastic that had been collected on the beach. We have been busy preparing for the opening of our restaurant next Tuesday. The menus have been written and the place cards set. We will now be busy preparing the food and decorating the tables. In maths we have been learning about fractions and English we have linked our restaurant opening to instruction writing.

## Class 4

Class 4 have been busy this week and, despite the sunny weather to tempt us outside, have worked very hard in class. We have completed our biographies and portraits of Robert Falcon Scott, continued our studies about the Muslim faith and are beginning to learn about the Qur'an.

We have to give a big shout out to Poppy who has been a great class representative, running in the County Cross Country finals and receiving a gold medal as Mid Cornwall came first in the Year 5 races. Well done Poppy...and well done everyone for all your personal achievements this week!

Please note there will be change to the Chartwells menu on **Tuesday 30th April**. Main—Spaghetti & Meatballs. Veg—Vegetable Lasagne. Jacket Potato will also be available on this day.

## Apologies

Unfortunately, due to staffing, Key Stage 1 Sports Club, which takes place on Thursdays will be postponed until after the Easter Holidays. We do apologise for any inconvenience caused by this.

Unfortunately, Kits on Coaching will not be able to deliver Football Club on **Tuesday 2nd April**. **We do apologise for this.**

Please note on **7th & 9th May** after school clubs will be cancelled due to whole staff First Aid training. Football and Cricket club will continue as this is run by 'Kits on Coaching.'

Well done to Poppy who raced in the final for the Cross Country event on Thursday representing the Year 5 Mid Cornwall Girls. This particular team won gold medal, we are all so proud of Poppy who has done exceptionally well throughout these competitions. Amazing running!

Thank you to Beach Guardians who came in on Wednesday 27th to do an assembly with the whole school and who carried out a workshop with our Years 4 & 5 on saving the environment and keeping our beaches clean. Linking with this, on Saturday 30th March, the Whitemoor Recreation Ground Committee have organised a 'Litter Pick' around the village, if you are able to spare some time to help our local village, it would be much appreciated.

## **\*\*Clubs cancelled on the last day of term\*\***

Please note that there will not be any clubs on the last day of term (**Thursday 4th April**). This is to allow all families to take part in the WAFA Easter egg hunt which will be taking place straight after school that day.

We hope that you are able to support this event and look forward to seeing you there.

Thank you
