-------	--	--------------------

Unfortunately we are unable to offer clubs on a Friday this term.

Please note that the younger children (year 2 and below) who stay for a club will need to be collected by an adult and will not be allowed to walk off to the car park or go home alone. A club register will be kept of attendance. Pupils will need to ensure that the staff member in charge knows when they are leaving at the end of each session.

We ask that your child attends the club they have chosen every week. If for some important reason they will not be attending the club then the office must be informed the day before or by 2pm on the day.

In the past we have been quite lenient in allowing places to go over the number stated for some of the clubs, it will be on a strictly first come first served basis only and we will not be allowing the places allocated to increase. This is due to staffing reasons. Please note that should your child not be lucky enough to get into the club they would like we will let you know.

Please return the slip below – you will be notified if your chosen club is full.
