

## FRIDAY 23rd October 2020

It has been lovely to welcome most of our class 4 pupils back to school this week (and great to be back myself!). So many of the children came and told me they had missed school and were really happy to be back with their friends.

We are hoping to start some afterschool clubs again after half term, further details will be announced soon but we hope there will be something for everyone to enjoy.

I hope you all have a happy and healthy half term holiday.

Mrs Rundle

Head of School

## Year 6

### YEAR 6 SECONDARY TRANSFER

Attention all parents of YEAR 6 CHILDREN. The deadline for applications to Secondary School for Sept 2021 must be submitted to Cornwall Council by 31st October. This can be done on-line at [www.cornwall.gov.uk/admissions](http://www.cornwall.gov.uk/admissions).

## Half Term

If you need to call us to report a COVID positive case during the half term break, please visit [www.aspireacademytrust.org/report](http://www.aspireacademytrust.org/report) and complete the online form.

## School Lunches

We will be returning after half-term on Week 3.

## Nursery

All the nursery children have had lots of fun with our Halloween theme this week.

Some of the activities have included; making some amazing potions, carving pumpkins then using the seeds to count and searching for hidden Halloween objects in different sensory bowls. They have definitely earned a treat from 'The Hand'.

## Headteacher's Awards

Nursery: Ella

Class 1: Julian

Class 2: Angus

Class 3: George

Class 4: Riley

### Forthcoming Events

**26th to 30th October**— Half Term

**2nd November**—Return to school

**23rd November**—Nasal Flu Immunisations

**18th December to 1st January**—Christmas Holidays

**4th January**-Inset Day (School closed to pupils)

## Class 1

This week, the year 1 children in Class 1 have been busy making posters of a London landmark. They picked their favourite facts about the landmark that they wanted to share.

## Class 2

Class 2 have been busy working on their drama skills this week, performing their mini play of "London's Burning". They've also been making their own cardboard version of Pudding Lane, writing Samuel Pepys' diary, learning about fire safety and designing fire safety posters. Well done, Class 2 - what a fantastic first half term!

## Class 3

This week, class 3, had a delightful body percussion music lesson, completed an ultra-marathon during P.E. (A mile each) and carried out a comparative test in science. We also have been learning how to add and subtract two, four-digit numbers and two, three-digit numbers in maths and continuing our newspaper report on the evil Dr, Hammer-Head.

## Class 4

Class 4 have had a very happy couple of days back at school. Everyone was pleased to see their friends and have really enjoyed working together again.

We have been putting into practice the things we revised during our home learning activities and have used them to support our lessons this week. As well as completing Maths and English tasks, we have had some great discussion during PSHE, and in Design Technology have designed and used clay to make models for science!

Well done Class4...it is great to have you all back!
