

Friday 21st May 2021

As many restrictions surrounding the Covid 19 pandemic remain in place for schools we will be offering parent consultations via telephone again this term.

These will take place during the week of 14.06.21 to 16.06.21 and you will be able to book your slot through Arbor from Friday 21st May.

We are so proud of what our children have achieved during this unprecedented year and all teachers are looking forward to sharing your child's progress with you.

One week until half term but everyone is still working hard.

This week we have been making pizza, creating our own non-fiction books and painting using watercolours, it has been amazing to see how creative the children at Whitemoor can be!

Have a lovely weekend.

Thank you
Mrs Rundle.

Diary Dates for 2021

- ♦ **INSET Days (Closed to pupils): 6th & 7th September**
- ♦ **Children return to school: 8th September 2021**

Dates for
the Diary:

Nursery

The children in nursery have been stretching their imaginations through different identities and occupations and practicing their gross and fine motor skills.

Imaginative play boosts problem-solving and self-regulation skills. The children have been creating situations and scenes and acting out social events whilst dressed in a variety of costumes.

Class 1

This week in Class 1 the children have been working hard on their writing.

The reception children have written a letter about what they can see from the peak of a mountain to someone special. The Year 1s have been working on creating their own information book on mountains using the Chromebooks.

We are hopefully going to share these with you on google classroom next week so keep your eyes peeled!

The children have also been learning about the G7 summit and singing the song
Gee Seven
by Truro Cathedral Choristers.

Class 2

Class 2 have completed another fantastic week!

They have made sliders to retell the story of the Gingerbread Man, wrote amazing versions of Jack and the Beanstalk and have impressed us with their amazing singing.

Year 1 children have shared equal groups, while Year 2s have been working on regular polyhedrons. They worked on their throwing skills with balls and javelins on the field in PE and learnt how to insert and resize pictures using the Chromebooks.

Great work, everyone!

Class 3

In Geography, class 3 have been cracking codes by using grid references on various maps.

In English, we have been writing diary entries from the perspective of a tribal warrior.

In Maths, we have been telling time, adding, and subtracting 3-digit numbers. As part of our 'Around the World' topic we travelled virtually to Italy and made pizza.

What a wonderful week!

Class 4

Another good week in Class 4!

We are continuing our topic of World War 2 and are currently writing diary entries from the perspective of an evacuee. If anyone has any first-hand information from older family members, or photographs or books on the subject, we would welcome these as an opportunity for class discussion! The children really do enjoy being able to share resources from home.

We are also saying a very sad goodbye to Brodie and Sienna this week; we will miss them both but know they will be very happy in their new school.

Headteacher's Awards

Congratulations to the following children for achieving headteacher award last week & this week:

Nursery: Lorelei & Eva

Class 1: Evelyn & Eva - May

Class 2: Martha/Ed/Leila & Ellie

Class 3: Jenson/Charlie & Archie

Class 4: Holly/Summer/Ralph/Corey & Charlie
