

## FRIDAY 9th October 2020

There has been lots of wonderful creative work happening at Whitemoor this week. We strongly believe that children should enjoy a diverse curriculum and this week our pupils have been showing their talents as artists, actors and designers!

We have lots of exciting plans in for our Nursery including an improved outside area and a new garden. If you are interested in a place for your younger children please contact Miss Stone our nursery manager by email at [nursery@whitemoor.org.uk](mailto:nursery@whitemoor.org.uk) or by phone on 01726 822274.

Maria Rundle  
Head of School

### **Car Park**

Please can we ask that all parents take great care when dropping off and collecting children.

We would like to remind you of the speed that you enter and exit the carpark. With staggered drop off and collection times, there is a chance that a young child could be in the car park at a time when you would not normally expect to see them. We have witnessed parents entering and exiting the carpark at speeds that we would deem to be unsafe. Please take care so that we can avoid accidents.

### **ParentPay**

A polite reminder to keep an eye on your child's lunch money / breakfast club balances: although most parents are paying them off regularly, a few debts are increasing each week.

We are unable to cover these debts. A lunch charge will only be taken from a child's account once they eat that meal—if they are poorly, go home early etc the lunch will not be charged to them.

## Medical Declaration & Contact Info

Last week, we emailed a link to our Medical Declaration form—thank you to the parents who have completed that already. If you haven't completed it yet, please do so this weekend as we will have to chase any missing responses.

This needs to be completed by parents for all children regardless of whether they have a medical need or not (we can't assume that if the form is not complete that your child does not have a medical condition or allergy).

## Headteacher's Awards

The children who have been striving for excellence and received a certificate from Mrs Rundle this week are :

**Nursery:** Evelyn Banfield-for showing great perseverance and independence

**Class 1:** Edward Grandison-for showing impeccable behaviour all week

**Class 2:** Mickey James - for always doing his best in very area of the curriculum and giving 100% in everything he does.

**Class 3:** Charlie Hooper - for an excellent attitude to all his learning

**Class 4:** Charlie Swann - for excellent results in his assessments and always striving to do better

Well done to all of you!!

### Forthcoming Events

**26th to 30th October**— Half Term

**23rd November**—Nasal Flu Immunisations

**18th December to 1st January**—Christmas Holidays

**4th January**-Inset Day (School closed to pupils)

## Coats

Now the weather is turning colder/wetter we do insist that all children come to school with a suitable coat for outdoor play

## Class 1

The Year Ones enjoyed their walk around Whitemoor looking for the physical and human Geography.

## Class 2

Class 2 have enjoyed painting some fiery silhouette pictures of the Great Fire of London.

## Class 3

Class 3, have been learning how to portray a story through dance in P.E. We found out how rocks are broken down into soil and then sequenced the dance moves to explain the process. In English, we have been extending our sentences to write the build - up to our story. Finally, we have been learning about our special relationships in P.S.H.E.

## Class 4

Class 4 have enjoyed another busy week. They have all worked very hard on their assessments and really shown how well they are getting on after such a long time away. As well as working hard we have had a lot of fun too, with some great games of Bench Ball. We have some excellent catchers and a lot of very enthusiastic throwers, all of whom joined in to earn House Points for their team. Well done to all of you!
