P.T.O.

We will please request that all **medicines** are labelled and handed to a member of staff before the children leave school. Please do not pack medicines your child's bag.

Please pack everything into a medium sized bag preferably not a suitcase and ensure that everything is clearly labelled.

Your child may also wish to bring a camera to keep a record of the week. This is absolutely fine but it will be their responsibility. For this reason, we recommend disposable cameras.

They will not need any spending money.
