

Thursday 1st April 2021

The last few days of term have been extremely busy at Whitemoor. The teachers have been busy assessing the children's learning in preparation for planning lots of new and exciting learning experiences next term.

We are absolutely delighted to welcome Mrs Arnold back to school this afternoon, I think she was even more excited than class 2!

Thankfully, the sun shone on us for our Egg-citing Easter activities this afternoon! The children have been making hats and cards and plenty of chocolate has been consumed.

We hope you have a wonderful holiday and enjoy some time with family and friends once restrictions are reduced.

Stay safe and we look forward to seeing you all on Monday 19th April.

Mrs Rundle and all the staff at Whitemoor.

Diary Dates for 2021

- ♦ Return to school: 19th April
- ♦ Bank Holiday: 3rd May
- ♦ Bank Holiday: 31st May
- ♦ School Holiday: 1st April to 4th April

Nursery

We have had a very egg-citing week at nursery.

The children have been learning about why we celebrate Easter, decorating Easter eggs and creating their own Easter chick pictures. They have also particularly enjoyed going on an egg hunt and making their own chocolate Easter nests.

Class 1

This week in class 1 we have been celebrating Easter.

The children have enjoyed making their own Easter hats, baskets and even decorating eggs. They have been using carrots to paint with and making a maze to hide the Easter eggs.

We have had a hopping good last week.

Enjoy your Easter break and we are looking forward to the Summer Term.

Class 2

Class 2 have had a great end to the term!

We enjoyed finishing the story of "The Giraffe and the Pelly and Me", inspiring us to write some super magical animal stories of our own.

We have learnt about the Maasai tribe in Africa and made some amazing Maasai necklaces.

We finished off the term with some Easter fun in the sunshine!

Class 3

Class 3, have finished off the week with some fantastic work.

In English, the children finalised their newspaper reports. In maths, they were learning how to find fractions of an amount and making a whole using their fraction and decimal knowledge.

In preparation for the exciting launch of the Virgin space shuttle, we researched fascinating facts about space and explored the future job roles in space travel, that the children could aspire to do.

Class 4

The end of Term has arrived!

Well done Class 4 for all your hard work over the last few weeks; we have really enjoyed being back at school but are certainly now ready for a holiday!

Amongst other things, we have been busy with Easter crafts this week and have made cards, Easter baskets and chocolate treats, and have joined in the Whitemoor Easter Egg Hunt!

Headteacher's Awards

Congratulations to the following pupils for receiving this week's headteacher award:
