

## Thursday 10th June 2021

There has been much excitement in school this week as some of our children took part in a Gee7 'megazoom' performing the GEE7 song with other children from all around the world. The excitement increased even more when Class 2 were lucky enough to be on the local television news! We are all very proud of their singing, behaviour and attitude to this important project.

Two of our younger children also took part in a special online event for the children of service personnel. They really enjoyed the activities with 'Little Troopers' and we hope it helped them to realise how special they and their families are.

Don't forget - there is no school tomorrow as we are closed for a staff training day.

I hope you have a great long weekend.

Mrs Rundle

## Diary Dates for 2021

- ◆ **INSET Day (Closed to Pupils): 11th June**
- ◆ **Parent Consultations: 14th to 16th June (15:30 to 18:00 teachers to phone parents/carers) - All After School Clubs cancelled w/c: 14th June.**

- ◆ **Summer Holidays: 26th July to 3rd September**
- ◆ **INSET Days (Closed to pupils): 6th & 7th September**
- ◆ **Children return to school: 8th September 2021**

## Nursery

The nursery have been busy looking at sharing the shell story this week which tied in with world ocean day on Tuesday. We have learnt the different sea creatures within our water tray, creating a coral reef in the construction area, and counting with shells to name a few. Also this week we have looked at symmetrical patterns and have created our own drawings and painting of some beautiful butterflies.

## Class 1

Two children in took part in Little Troopers earlier this week. This is an interactive morning for children who have parents in the Forces. The girls really enjoyed their morning with Mrs Haskayne and they told their parents how proud they are to have their daddies work so hard.

You girls were great! Well done.

This week in class 1 we have started our topic on under the sea. We have been exploring the book 'Sharing a Shell' this week and have been practising our doubling and halving.

The children have also tried to create their own under the sea poem using rhyming couplets.

Next week we are going to be looking at sea shanty's.

## Class 2

In Class 2, we have enjoyed the start of our seaside topic with writing inspired by "The Lighthouse Keeper's Lunch".

We have looked at fractions and lines of symmetry in maths and finished our investigation to see the damage that UV light can cause in Science.

On Wednesday afternoon we took part in the Sing2G7 Mega Zoom with over 1000 children from 14 time zones. We were delighted (and surprised!) to be asked to lead singing a verse of the song and we were also on BBC Spotlight too!

Well done, Class 2 - you are all superstars!

## Class 3

Class 3 have been converting analogue and digital time in maths as well as adding 3-digit and 2-digit numbers.

In English, we had a drama lesson to help us to understand direct and indirect speech.

In Art, we finalised our concentric circle paintings and in science we learnt all about the digestive system.

The children are getting very excited about an unopened box that has been sat in our class for over a week.

All will be revealed to them on Monday!

## Class 4

A great first week back after the half term break for Class 4!

Well done to you all for settling so well back into your learning. Despite this being a short week, we have covered a lot of ground; we have checked our grammar knowledge, performed WW2 poems, and practiced multiplication.

We enjoyed our final PE session with Go Active this week and are looking forward to starting a week of swimming in a couple of weeks' time.

## Headteacher's Awards

**Congratulations to the following children for achieving headteacher award last week & this week:**

**Nursery: Max**

**Class 1: Elsie**

**Class 2: Angus & Yasmin**

**Class 3: Abbie & Dexter**

**Class 4: Jayce & Kyle B**

## Vacancy

General Kitchen Assistant required at Whitemoor Academy

Every Friday

11:30—13:30
