

Friday 7th May 2021

We have welcomed several new pupils to Whitemoor over the last few weeks, we are always so glad to see new faces joining our school, well done to Lorelei, Phoebe, Grace, Eva, Daisy and Holly for settling in so well.

The work on the new outdoor area for our nursery will commence in just a few weeks and we are all busy making preparations.

We still have a few places left in our Nursery and Reception classes for September so if you know of anyone who maybe interested please spread the word so we can continue to grow our lovely school.

I would like to thank you all for continuing to follow our school health and safety protocols for Covid 19. I know that we are all hoping we will be able to relax them soon and I will notify you as soon as we receive any further information from the DfE.

We have the results for the Virtual Science Fair and we are delighted to announce that Casey and Kyle are the winners and will compete in the Aspire wide finals. Date to be confirmed!

Please can we remind everyone that make up, nail varnish and temporary tattoos should not be worn to school.

We would also like to remind you that children should only have water in their drinks bottles.

Thank you for your cooperation.

Mrs Rundle
Head of School

Diary Dates for 2021

- ♦ Bank Holiday: 31st May
- ♦ Half Term: 1st June to 4th June
- ♦ INSET Day (Closed to Pupils): 11th June
- ♦ INSET Days (closed to Pupils): 22nd & 23rd July

Nursery

The nursery children have been learning different ball games this week and have even made up some of their own.

Class 1

The children have worked extremely hard this week learning facts about Sir Ranulph Fiennes.

They know that he climbed the highest mountain in each continent and that he has raised lots of money for charity.

Next week we are going to learn more about the different mountains and where they are in the world. It is lovely to see the children's home learning tasks on this topic and they enjoy sharing these with the class.

Class 2

The sound of "Fee Fi Fo Fum" has been echoing from Class 2 this week, as we have started our learning based on "Jack and the Beanstalk".

The children have done some super work rearranging sentences and retelling the story.

They have written fantastic facts about Mount Everest and sorted animal babies into groups in Science.

We practiced our throwing and catching skills with some great games on the field in PE and have been dancing to learn our 10 times table in Maths!

Super learning, Class 2!

Class 3

Class 3, have been comparing measurements of money in Maths and have finished their opening and build-up to their narrative.

In French, they have been learning the parts of the body and in science they learnt how we hear sound through our ears.

Finally, we discovered how Sikhs follow rules when entering their place of worship and that they have an amazing sense of community by cooking food for free to share with their friends and family.

We decided to cook chapattis to eat with our friends in class.

Class 4

Even though Class 4 have only had 4 days at school this week, we have been just as busy and engaged with learning as usual!

Our PSHE lesson on Wednesday centred on thinking about who are our own Covid 19 heroes; those who inspired us, took care of us and made our lives just a little easier.

Captain Sir Tom Moore was high on the list, as were medical staff, carers, emergency services staff and teachers...but parents and grandparents were just as high on that list too!

It is lovely to see things starting to return to some normality and to know that our children appreciate all the effort that others have put in to try and get us there!

Headteacher's Awards

Congratulations to the following pupils for receiving this week's headteacher award:

Nursery: Daisy

Class 1: Keely-Rose & Autumn

Class 2: Nyla

Class 3: Isaac & Myla

Class 4: Ralph, Charlie and Kyle W
