

Friday 18th June 2021

We had another exciting week of creative learning at Whitemoor last week which saw Classes 3 and 4 taking part in a virtual Science week.

The children all made air propelled rockets from plastic bottles and there was a fiercely competitive trial to see which one went the furthest! It was great to see the children enjoying themselves and taking such an active part in their learning.

We have also had cause to celebrate this week as Mrs Miller our lovely catering assistant has now been working at Whitemoor for 13 years – that is an awful lot of baked beans to have served up!

Many congratulations Mrs Miller and thank you for all you do for us.

Mrs Rundle

Diary Dates for 2021

- ♦ **25/06/21:** Year 6 Transition Day at Brannel **(Cancelled)**
- ♦ **28/06/21 to 02/07/21:** Sports Week
- ♦ **07/07/21:** Year One Hearing Screening
- ♦ **15/07/21:** Year 6 JulyFest at Brannel **(Cancelled)**
- ♦ **22/07/21 & 23/07/21:** INSET Days (Closed to Pupils)
- ♦ **26/07/21 to 03/09/21:** Summer Holidays
- ♦ **06/09/21 & 07/09/21:** INSET Days (Closed to pupils)
- ♦ **08/09/21:** Children return to school

Nursery

This week our nursery children have been carrying on with our ocean theme by learning about pirates. The children have using their imaginations to sail the seas, practising our balance skills by walking the plank, and exploring a treasure island in hope to find the buried treasure. We have also had some visits from Miss Towner, Mrs Hooper, and Miss Newman, which the children have enjoyed spending time and getting to know them.

Class 1

This week in Class 1 the children have looking at Sea Shanties and Pirates. We talked about what jobs pirate do before they worked hard creating their own songs to the beat of 4. At the end of the week they then sang them to the rest of the class.

We have also been looking at the different seas around the world. The year 1 children have been working together to make a 3D globe.

Next week we are going to paint the land and sea and add their labels to the correct sea.

Class 2

In Class 2 this week, we have drawn storyboards and written fantastic diary entries imagining we were the Lighthouse Keeper.

We have continued working on fantastic fractions in Maths, thought about how exercise keeps us healthy in Science, looked at features of coasts in Geography and learnt a new song.

In PE, we have practised our skills for Sports Day, which the children are all really looking forward to.

Great work, Class 2.

Class 3

This week, class 3 have been learning statistics in maths, Writing dialogue in English and coding in computing.

In science, we had a wonderful Wonderstruck workshop, that showed us how to build our own rocket car.

Carrying on from this, we investigated the forces that moved the cars and looked at the different surfaces that the cars were travelling on.

We had great fun!

Class 4

Class 4 have participated in a science workshop this week that involved constructing and experimenting with rocket cars. The children worked cooperatively in their teams and thoroughly enjoyed the day.

We have also had parent consultations this week. Many thanks to those with whom I spoke, and if you did not manage to make an appointment and would like to discuss your child's progress, please call the office to schedule a meeting.

Headteacher's Awards

Congratulations to the following children for achieving headteacher award this week:

Nursery: Grace J and Jaxon

Class 2: Sam

Class 4: Jamie and Georgia

Class 1: Keely-rose

Class 3: Christian and Myla

Vacancy

General Kitchen Assistant required at Whitemoor Academy

Every Friday

11:30—13:30
